

### *New Media Modular Plates (Unfurnished)*

The smooth modern lines of the Mode accessory plate will fit easily into traditional and contemporary designs alike.

Mode New Media modular plates produce a comprehensive yet flexible and user friendly 'system' which enables the installer to easily create topical media and power cabling solutions using any combination of our 25mm x 50mm or 50mm x 50mm media modules.

Standards	BS 5733 : 2010 + A1 : 2014 Modified ISO 22196

**Additional Information**

Ensure that the mains supply is isolated before commencing installation and refer to the circuit diagram with the relevant product.

Bare earth cables must always be covered with appropriate sleeving and wired to the earth terminal.

All white moulded accessories are manufactured using Urea Formaldehyde, which has similar inherent properties to antimicrobial additives that inhibit the growth of infectious diseases. All products were independently tested and achieved a 99.9% kill rate across all four types of the strains of bacteria - MRSA, E-Coli, Salmonella, and Klebsiella Pneumoniae.

Interchangeable with modules in the New Media system

Errors & Omissions excluded. Specification is subject to change without notice.
